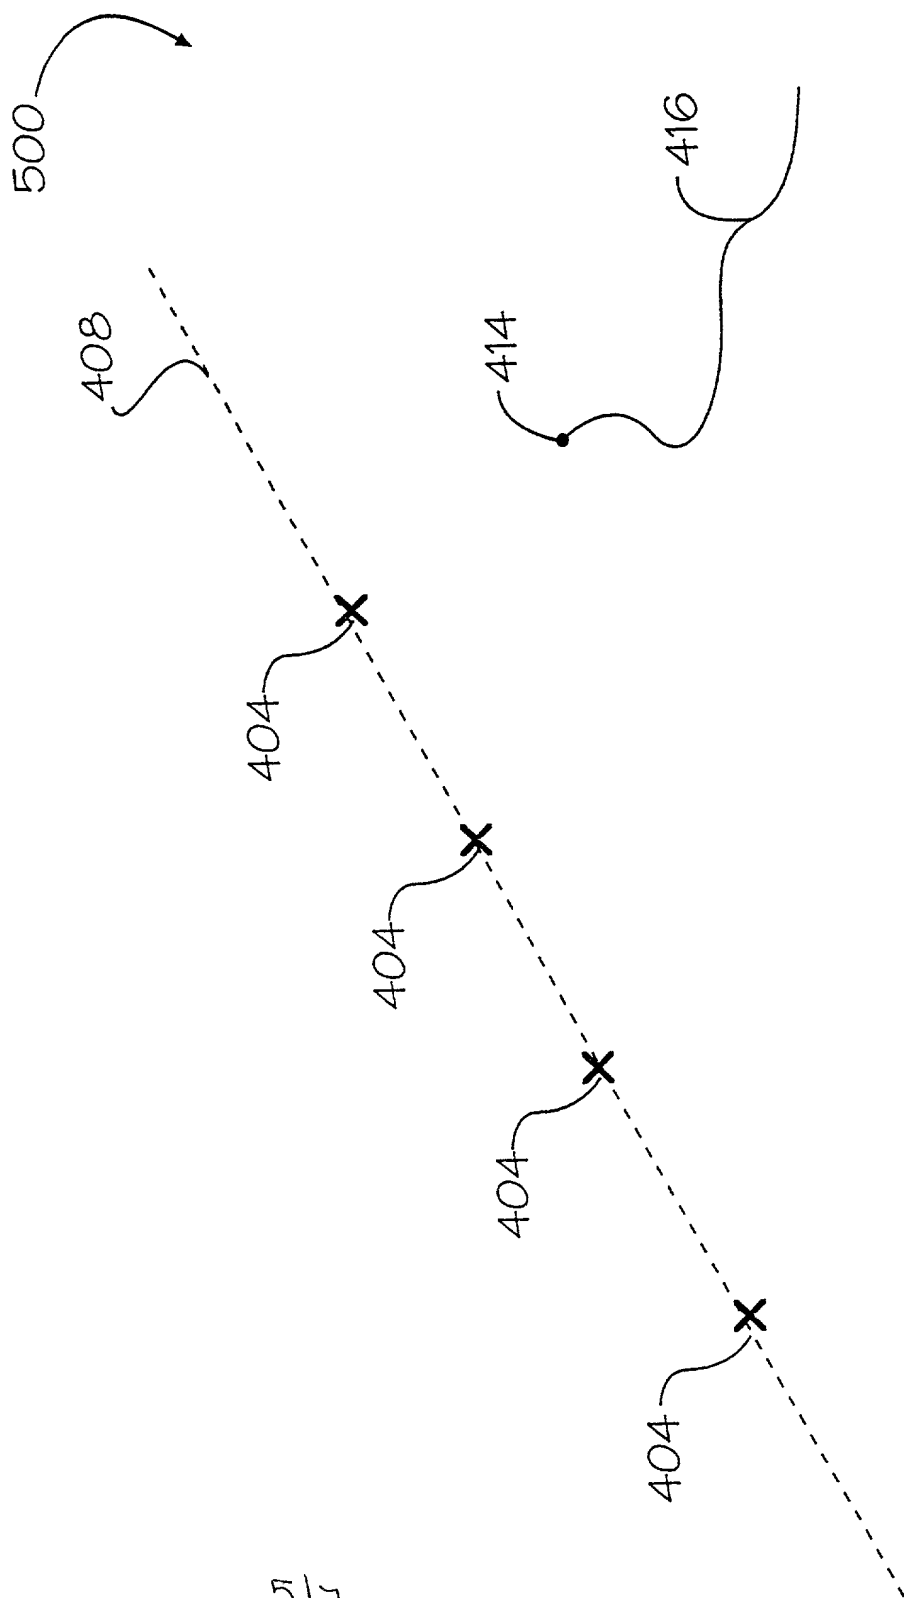

Figure 5

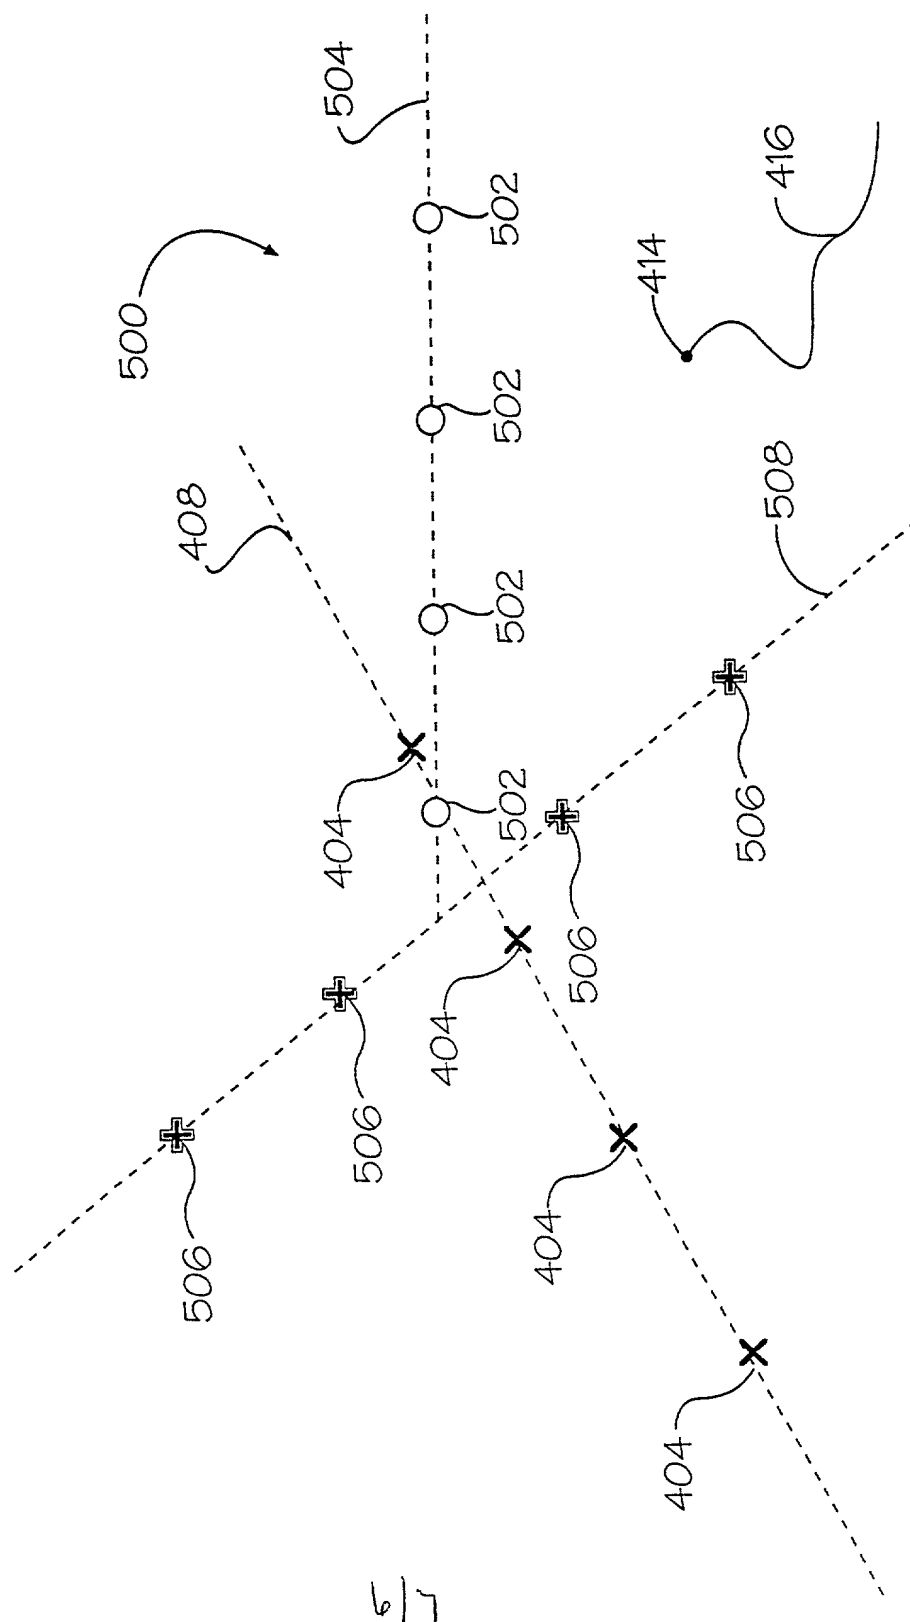

Figure 6

FIG. 7 is a schematic diagram of a radio tower 700, showing a lattice tower 702 with a top section 704, a base section 706, and a base structure 708. A lightning rod 740 is mounted on the base structure 708. A lightning strike 212 is shown hitting the top section 704. A ground plane 700 is indicated by a dashed line at the base of the tower.
